EXPERIENCE

June, 2024 – September, 2024

Company Name | Star Galaxy Infotech

Completed the design for various key projects, including TrakHRMS, Diamond Audit Book, Diamond Software etc. Created multiple websites, ensuring high-quality design and user-friendly interfaces. Used HTML, CSS, and JavaScript to design responsive and visually appealing layouts.

Nov, 2024 – Jun, 2025

Company Name | Sourcenet IT Service Provider (P) LTD

Worked on the One81 project, one of the company's major and long-term projects. Designed new pages and redesigned existing layouts to improve user experience and visual appeal.

Jul, 2024 – Nov, 2025

Company Name | Flunzy Private Limited

Continued working under the same management after the company split. Focused mainly on React-based web projects, creating modern and dynamic user interfaces.

EXTRA QUALIFICATIONS

I have completed web design course from Creative Design and Multimedia Institute.
